Subject: Fw: GAO Report on Emerging Drinking Water Contaminants---basis for OW hearing next week--includes IRIS
Attachments: DIB0001; 361065 - DRAFT Emerging Drinking Water Contaminants Report.pdf; GAO 361065 response.pdf

The AA for OW will be testifying next week regarding GAOs draft report. You may recall that I sent around the previous drafts of this report. **Deliberative Process / Ex. 5**

Deliberative Process / Ex. 5

Here is the DRAFT GAO report and OWs DRAFT responses to recommendations. none of the recommendations is directed specifically at IRIS. **Deliberative Process / Ex. 5**

Deliberative Process / Ex. 5

Deliberative Process / Ex. 5

I am going to a pre-brief with the OW today--at the same time as our AA pre-brief for the IRIS hearing!
If anyone has any questions, let me know.

One thought--there is the possibility that Paul could be asked about this GAO report....However, FYI--the report was developed at the request of Boxer and Waxman,

Sorry -- here is some other information that Jeanne had sent on the Bob P hearing. I had missed this email earlier in the post-annual-leave deluge.

Nena -

Sven mentioned you were interested in viewing the GAO Report. It is still draft and not formally public. Also, attached are EPA responses to GAO's recommendation.
